

Become a White Ribbon Supporter

About White Ribbon Australia

White Ribbon Australia wants all women to live in safety, free from violence and abuse.

Through education, awareness-raising, specific prevention programs in workplaces and schools, and partnerships, White Ribbon highlights the positive role men play in preventing men's violence against women and provides support to them to actively be part of this social change.

Domestic violence affects us all. By understanding the problem, you can be part of the solution to Australia's most serious health issue.

Domestic and family violence is the principal cause of homelessness for women and their children.

Intimate partner violence is the leading contributor to death, disability & ill-health in Australian women aged 15-44.

About being a Supporter

White Ribbon Supporters are men and women who are passionate about ending men's violence against women and engage with White Ribbon in an independent and proactive capacity. They bring local expression to the White Ribbon Campaign through the activation of people, networks and opportunities to make violence against women a man's issue too. Becoming a White Ribbon Supporter allows you to make real change in the community and is the first step to becoming a trained Ambassador or Advocate.

1. Who can become a White Ribbon Supporter?

Anyone committed to preventing men's violence against women can become a White Ribbon Supporter.

2. Why become a Supporter?

Becoming a White Ribbon Supporter means:

- You join the largest social change movement standing up to violence against women
- Your awareness raising efforts create measured impact – meaning the work you do in your community is part of real change.

3. Supporter Benefits:

As a White Ribbon Supporter, you can:

- Educate yourself with White Ribbon online resources
- Engage with your community by hosting and attending White Ribbon events
- Actively prevent violence against women in your everyday life.

4. White Ribbon Services

- The White Ribbon Australia Workplace Accreditation Program is our world leading violence-prevention initiative focused on providing organisations with the tools and strategies to actively prevent and effectively respond to violence against women
- Breaking the Silence Schools Program – An award-winning professional learning program for school leaders, designed to help build respectful relationships amongst students.
- Research, education and social impact - White Ribbon Australia develops research and innovative resources such as factsheets, to help prevent men's violence against women.
- eLearning - Free online education for all Australians to help understand and prevent violence against women.
